TECH CENTER 1600/2900

In response to the Office Action of March 11, 2002 and the Office Action of January 28, 2003, please enter the following remarks that supplement those filed with the Amendment After Final Office Action of June 11, 2002.

REMARKS

In the Office Action of January 28, 2003, the examiner indicated that the Amendment filed on June 11, 2002 (Paper No. 18) in response to the Final Office Action of March 11, 2002 (Paper No. 17) and entered in response to the Request to File a Continued Prosecution Application (CPA) filed on November 6, 2002 is not fully responsive to the Final Office Action (Paper No. 17) and thus must be supplemented. However, such a position is incorrect and untenable.
